Mayor Fledderman informed council members that on Oct. 10, 2005 council adopted ordinance #9-2005; an ordinance amending chapters 78 & 79 concerning the traffic and parking schedule for the city. In Chapter 78 – Schedule II - S. Park Ave. and Catherine St. were approved for a multi-way stop intersection. For various reasons the intersection was never converted and it is now the wish of many to move forward. The Mayor, Street Commissioner, Police Chief and Fire Chief will meet soon to finalize discussions regarding the intersection and place signs for the multi-way stop. Councilman Robert Narwold also suggested having a large crosswalk sign painted on S. Park & South Street to help pedestrian traffic due to the Romweber Flats Project.

The 20 year bond will be paid off in December 2012 with Edit Funds and this will allow for continued improvements and renovations.
