PERMIT APPLICATION

Disclosure

- 1) I/We, the Undersigned, hereby make application to the City of Batesville, Building Department, for a permit to erect, remodel, repair or add to the building, structure or facility described in the plans and specifications herewith presented; subject to all provisions of State and City Ordinances governing and/or pertaining to this requested use, whether specified or not. The information which follows, along with the accompanying plans and/or specifications, are made a part of this application in reliance upon which the City of Batesville is requested to issue a building permit.
- 2) Plot plan, foundation, elevation and detailed construction plans are required. The granting of this permit does not grant any right of privilege to: erect any building, structure, or any portion thereof, upon any street, alley or public place or portion thereof, or use any structure or portion that is or may be prohibited by the State or City Ordinance.
- 3) I/We, hereby certify that no part of the work has been started and I/We, assume full responsibility for compliance with all State and City building, plumbing, electric, sanitary and construction requirements. It is understood and agreed upon by this applicant that any error, incorrect statement or misrepresentation of information, or expression of, either with or without intent on the part of the applicant shall cause the refusal and/or withdrawal of this application by the Building Commissioner.
- 4) I hereby affirm that I have read the above statement and I am familiar with, and will comply with, all applicable codes and standards set forth by the State of Indiana and the City of Batesville.
