Application Guidelines

Purpose of the Program

The purpose of the Small Business Loan Program (SBLP) is to provide loans and technical assistance to new and emerging Batesville businesses while facilitating development and creating or retaining employment possibilities within the community.

Loan Criteria

The decision to approve a loan will be based in large part on the ability of the business to demonstrate that a loan is necessary, that it will have a positive impact on employment, that the business can repay the loan, and that it has proof of sufficient collateral.

Who can borrow?

A loan can be made to a new or existing business located in the corporate boundaries of the city of Batesville. Loans will be available to applicants meeting the definition of "small and emerging private business enterprises" defined as "any private business that will employ 50 or fewer new employees and has less than \$1 million in projected gross revenues." At least 51 percent of the outstanding interest in the applicant must be owned by those who are either citizens of the United States or reside in the United States after being legally admitted for permanent residence.

How much can be borrowed?

The minimum loan amount is \$5,000. The maximum loan amount is \$20,000. Exceptions to these caps will be considered on a case by case basis by loan committee.

For how long can funds be borrowed?

Loan term will be based on the planned use of funds and the useful life of assets to be acquired, primarily the lesser of seven years or the life of the security.

How can funds be used?

Funds may be borrowed to finance working capital (inventory, receivables, operating capital), and equipment.

What is the interest rate?

Interest rates will be between 2-5%, typically not to exceed prime rate by more than 2%. Repayments will be made monthly.

Number of jobs to be created/saved with each project?

The grantee has a goal of creating or retaining at least one full time job to be eligible for up to \$10,000 in loan funds from the SBLP (or \$10,000 per job retained or created).

Is technical assistance available?

Yes, BEDC arranged for several levels of technical assistance geared to the needs of potential borrowers. New businesses will be expected to participate in a business plan development program and to utilize available resources of the Indiana Small Business Development Center (ISBDC) concerning tax issues, bookkeeping, and marketing. The area ISBDC can provide one-on-one technical assistance to help borrowers with specific challenges they may face in operating their businesses.

The funding for this program is provided in collaboration with the United States Department of Agriculture, Rural Development, Rural Business Enterprise Grant program.

Application Steps

1. Complete the SBLP application. Mail or deliver the application and all supporting material to Sarah Lamping, Economic Development Director, 132 South Main Street, Batesville, Indiana 47006
2. The Batesville Economic Development Commission (BEDC) will determine your basic eligibility for the program; i.e. that your proposed use of funds is consistent with federal regulations.
3. You will receive a written or phone response as soon as possible after the BEDC has reviewed your application and supporting materials.
4. **If you are an existing business (in business for at least one year) your application will be evaluated based upon past management of your business and your historical financial performance.**
5. **If you are a new business (in business for less than one year), your application must include a business plan prepared by you reflecting how your business will operate.**
6. If you do not have a business plan, you will be required to prepare an adequate plan prior to being considered for financing under the SBLP. The business plan should document the market for your product or service, the management of the business, and provide a financial projection. Entrepreneurs seeking assistance in developing their business plan will be referred to Indiana's Southeastern Small Business Development Center (ISBDC).
7. Upon receiving all requested information, your application will be evaluated. A personal interview may be held, credit and lien searches will be completed, and a recommendation will be prepared for the SBLP Review Committee.
8. The SBLP Review Committee will consider the request and approve or disapprove your loan request. If a loan is disapproved, you will be provided with information on the factors leading to that decision and how you might be able to improve the application.
9. Once the SBLP Review Committee has approved your request, an environmental assessment may be required, following which your loan will be closed and disbursed as quickly as possible. Your loan repayments will begin 30 days after closing.
