

For Immediate Release

## Road Construction Updates

Week of October 10th, 2022

**Batesville, Indiana** – Indiana Department of Transportation contractor Paul H. Rohe Company plans to finish all the approaches, manhole adjustments and sod work this week on the S.R. 229 road construction project from Walnut St. to Main St.(between Boehringer and Central Ave.) The construction crew will also begin road striping at the end of the week on S.R. 229. Motorists can expect daytime flagging.

Concrete work will continue on Boehringer St., between Smith and Walnut St.

INDOT and the City of Batesville want to remind drivers to slow down, avoid distractions, and consider worker safety when traveling through active construction zones.

All work is weather-dependent, and schedules are subject to change. Please visit <https://batesvilleindiana.us/> and click on Road Construction for more information.
