

For Immediate Release

Road Construction Updates

Week of October 3rd, 2022

Batesville, Indiana – Indiana Department of Transportation contractor Paul H. Rohe Company plans to begin work on Tuesday, October 3rd to patch, mill, and repave S.R. 229/ Main St., from Central Ave. to the intersection of Main and Boehringer. Motorists can expect daytime flagging on Main St., between Central Avenue and Boehringer. The estimated project completion date is early in the week of October 10th.

INDOT and the City of Batesville want to remind drivers to slow down, avoid distractions, and consider worker safety when traveling through active construction zones.

All work is weather-dependent, and schedules are subject to change. Please visit <https://batesvilleindiana.us/> and click on Road Construction for more information.
