

For Immediate Release

## Road Construction Updates

Week of September 12th, 2022

**Batesville, Indiana** – Please be advised, that Indiana Department of Transportation contractor Paul H Rohe Construction Company plans to continue curb and gutter work on S.R. 229, south of S.R. 46 in Batesville. Motorists can expect delays on S.R. 229, Boehringer, and Main St. The construction will continue south to Main St. until Central Ave. A portion of the work will be under flagging.

Detours around the Walnut Street/State Road 229 work zone and into downtown include Columbus Avenue, Huntersville Road, Mitchell Avenue, Pearl Street, and Tekulve Avenue.

Community Crossing Grant 2022-1 construction will begin this week on various roads. The project is divided into 9 project areas. The project consists of curb and gutters with some ADA improvements, milling, paving, and some overlay with patching.

Milling will begin on Monday, September 12th on Winding Way from Pine Oak to SR 46, Volz St from Mulberry St approximately 655 ft of Mulberry, and Mulberry St. from Volz St to Central Ave. Paving to follow. Work will be done under flagging and some small closures.

INDOT and the City of Batesville remind drivers to slow down, use caution and remain vigilant of workers and equipment in active construction zones.

All work is weather-dependent, and schedules are subject to change. Please visit <https://batesvilleindiana.us/> for more information.
